Issue 6

Wed 31st October

Always try to treat others as you would like them to treat you.

Royal British Legion

The Royal British Legion have provided us with poppies and a range of items to sell to raise money for their charity. Children can buy a poppy for a donation of their choice. There are erasers, reflectors, pencil sharpeners and pencils available for 50p, and the rulers cost £1.00. Items will be on sale from tomorrow.

Nut allergy

You may be aware from coverage in the media that there is a shortage of Epi-pens, the medication used for children who have an allergy to nuts. Can I ask that everyone is extra-vigilant and ensure that food products containing nuts are not sent into school. Thank you for your cooperation.

Relationships and Sex Education Consultation

I would like to invite parents and carers to a consultation session about upcoming changes to our teaching of Relationships and Sex Education in school. This will take place in the school hall at 5pm on Tuesday 6th November. The proposed policy and curriculum will be shared and you will be given the opportunity to ask any questions and share your views. Please note, this session will not be suitable for children to attend.

Class Mass

There is no class Mass this Friday.

Bikeability

Just a reminder that Bikeability will take place for Year 5 pupils next week.

Best Wishes from Mrs Cushlow
Headteacher
