Year 4 First Holy Communion Preparation

Dear Parent/ Carer,

We would like to invite your child to begin preparation for their celebration of the Eucharist.

I am writing to ask if you will talk this over with your child and help them give some very careful thought to this very important and holy step in their lives.

If you and your child would like to be involved please fill in the attached slip and return to school by Friday 5th October please.

If you have any questions before then contact me rather than the school!

**I would like to invite you to a parents evening on Tuesday 9th October
3:30pm in the Year 4 Classroom to explain the preparation.**

Yours sincerely,

Fr Mark
